# URGENT SUPPLEMENTAL APPROPRIATIONS

Committee on Rules: On April 10, granted a rule providing for the consideration of a joint resolution relating to Central America containing the text of S.J. Res. 283, relating to Central America pursuant to the International Security and Development Cooperation Act of 1985. Provides for two hours of general debate to be equally divided and controlled by a Member in favor of the joint resolution and a Member opposed thereto. The joint resolution shall be considered as having been read for amendment under the five-minute rule. No amendment to the joint resolution shall be in order except the following amendments, which shall be in order any rule of the House to the contrary notwithstanding, which shall be considered only in the following order, and which shall not be subject to amendment or to a demand for a division of the question in the House or in the Committee of the Whole: (1) an amendment in the nature of a substitute printed in the Congressional Record of April 14, 1986 by, and if offered by, Representative Hamilton of Indiana, and said amendment shall be debatable for two hours, to be equally divided and controlled by Representative Hamilton and a Member opposed thereto; (2) an amendment, which may be offered only if the Hamilton substitute is defeated, printed in the Congressional Record of April 14, 1986 by, and if offered by, Representative McCurdy of Oklahoma, and said amendment shall be debatable for two hours, to be equally divided and controlled by Representative McCurdy and a Member opposed thereto; and (3) an amendment, which may be offered only if the Hamilton substitute is defeated and after the disposition of the McCurdy amendment, printed in the Congressional Record of April 14, 1986 by, and if offered by, Representative Mrazek of New York, and said amendment shall be debatable for two hours, to be equally divided and controlled by Representative Mrazek and a Member opposed thereto. At the conclusion of the consideration of the bill for amendment, there shall be an additional period of thirty minutes of general debate to be equally divided and controlled by a Member in favor of the joint resolution and a Member opposed thereto. Provides for one motion to recommit which may not contain instructions. Provides that the joint resolution shall not be messaged to the Senate if H.R. 4515, making urgent supplemental appropriations for the fiscal year ending September 30, 1986, is passed by the House. After disposition of joint resolution, makes in order the consideration of H.R. 4515. Waives all points of order against consideration of the bill for failure to comply with the provisions of section 302(f) of the Congressional Budget Act (prohibiting consideration of measures that would cause the appropriate subcommittee level or program-level ceilings to be exceeded) and clause 2(L)(3)(B) of Rule XI (requiring Committee reports to include matters required by section 308(a) of the Congressional Budget Act). Waives all points of order against the bill for failure to comply with the provisions of clause 2, Rule XXI (prohibiting unauthorized appropriations or legislative provisions in general appropriation bills, and restricting the offering of limitation amendments to such bills) and clause 6, Rule XXI (prohibiting reappropriations in a general appropriation bill) against the bill. The following two amendments are considered to have been adopted in the House and in the Committee of the Whole: (1) striking out the language on page 5, lines 11 through 25; and (2) striking out the language on page 28, line 19 through page 30, line 16. Makes in order the following amendments printed in the Congressional Record of April 14, 1986, by, and if offered by the Members indicated: (1) an amendment

by Representative Schroeder; (2) an amendment by Representative Hammerschmidt; (3) an amendment by Representative Mica; (4) an amendment by Delegate Fauntroy; (5) an amendment by Representative Fazio; (6) an amendment by Representative Rostenkowski; and (7) an amendment by Representative Bosco. Waives points of order against the amendments. Provides that if both the joint resolution and H.R. 4515 are passed by the House, the enrolling clerk of the House is to add the text of the joint resolution, as passed by the House, to the engrossment of H.R. 4515 as passed by the House. The joint resolution is then laid on the table. Testimony was heard from Chairman Whitten and Representatives Smith of Iowa, Fazio, Mrazek, Fascell, Mica, Rostenkowski, de la Garza, Conyers, Schroeder, Downey of New York, Markey, McCurdy, Reid, Levine of California, Fauntroy, Obey, Watkins, Andrews, Stratton, Richardson, Hamilton, Bosco, Conte, Skeen, Gradison, Hammerschmidt and Dornan of California.

Urgent Supplemental Appropriations, 1986: By 71 yeas to 8 nays (Vote No. 123), Senate passed H.R. 4515, making urgent supplemental appropriations for the fiscal year ending September 30, 1986, after

taking action on additional amendments proposed thereto, as follows:

Page 12851

Adopted:

(1) Gorton-Evans Amendment No. 2014, to amend the authorization of the construction of the Engineer's District Office of the Army Corps of Engineers in Walla Walla, Washington, to provide for the acquisition of real estate.

Page 12852

(2) Johnston modified Amendment No. 2036, to provide additional funds for State and local payments for costs associated with the distribution of commodities by emergency feeding organizations under the temporary emergency food assistance program.

Page 12858

(3) Bumpers modified Amendment No. 2022, to provide funds for reimbursement for meals served under the elderly feeding program during fiscal years 1985 and 1986 at a level of 56.76 cents per meal.

Page 12853

(4) Garn Amendment No. 2037, to provide for a short-term extension of expiring authorization for the Farmers Home Administration and miscellaneous programs.

Page 12854

(5) Gramm Amendment No. 2038, to strike section 204, striking the provision that prohibits implementation of OMB Circular A-21 to restore an appropriate balance between Federal support of scientific research and Federal payments for university-allocated overhead.

Page 12857

(6) Johnston Amendment No. 2039, to amend the Trade Act of 1974, to make workers and firms that supply parts and services for the oil and gas industry eligible for trade adjustment assistance. (By 55 yeas to 40 nays (Vote No. 118), Senate earlier agreed to a motion to waive section 401 of the Congressional Budget Act with respect to consideration of the amendment.)

(7) Mattingly-Nunn Amendment No. 2040, to clear title to 55 acres of real estate located in Brantley County, Georgia.

Page 12866

(8) Abdnor Amendment No. 2041, to make a technical modification in the impact aid provision.

Page 12869

- (9) Hollings Amendment No. 2042, to allow health planning agencies to continue operating as provided in section 15 of the Public Health Service Act and to achieve a more orderly phaseout should Federal support be discontinued in fiscal year 1987.
- (10) Stevens Amendment No. 2043, to provide the transfer of funds for necessary expenses of the Office of Personnel Management in implementing the provisions of the Federal Employees' Retirement System Act of 1986.

  Page 12871

tion for official mail costs shall be deemed full payment for all matter mailed under the frank.

Page 12873

(12) McClure Amendment No. 2046, to provide full funding necessary to implement the Compact of Free Association.

Page 12876

- (13) Zorinsky Amendment No. 2049, providing that, during fiscal year 1986, the Commodity Credit Corporation shall use not less than \$4,000,000 worth of surplus agricultural commodities owned by the corporation in establishing and carrying out a research and development program on external combustion engines under section 4(m) of the Commodity Credit Corporation Charter Act, as amended by the Food Security Improvements Act of 1986 (P.L. 99-260).
- (14) Kennedy Amendment No. 2051, providing that of the approximately \$750,000 in savings available from the Great Point Light, Nantucket, Massachusetts project, such sums as necessary shall be applied to the maintenance, sealing, and preservation of other lighthouses in the Commonwealth of Massachusetts owned by the Coast Guard.

Page 12895

(15) Dole Amendment No. 2054, providing that of the funds available for university research in Title IV of the Department of Defense Appropriations Act, 1986 (P.L. 99–190), \$13,500,000 for Northwestern University in Massachusetts and \$11,100,000 for the Rochester Institute of Technology at Rochester, New York, are rescinded.

Rejected:

- (1) Wilson Amendment No. 2045, to provide that no Member of or Member-elect to Congress may mail any mass mailing as franked mail to any person who has not, prior to the date on which such mass mailing is mailed or delivered to a postal facility, made an oral or written communication to such Member or Member-elect. (By 40 yeas to 52 nays (Vote No. 119), Senate failed to find the amendment to be germane.)
- (2) McClure Amendment No. 2047, to authorize the Secretary of the Interior to charge park entrance fees for all units of the National Park System of an amount not to exceed \$3 for a single visit permit as defined in 36 CFR 71.7(b)(2) and of an amount not to exceed \$7.50 for a single visit permit as defined in 36 CFR 71.7(b)(1), and that the cost of a Golden Eagle Passport as defined in 36 CFR 71.5 be increased to \$40 until September 30, 1986. (A point of order was sustained against the amendment, as being legislation on an appropriations bill.)
- (3) Exon Amendment No. 2048, to provide that no funds made available under the Act shall be expended by the Federal Energy Regulatory Commission to process, promulgate, or implement a final rule under FERC Docket No. RM 86-3-000 (ceiling

prices, old gas pricing structure). (By 48 yeas to 47 nays (Vote No. 120), Senate tabled the amendment.)

Page 12884

(4) Abdnor Amendment No. 2050, to improve the interest rate reduction program for guaranteed FmHA loans. (A point of order was sustained against the amendment, as being legislation on an appropriations bill. By 46 yeas to 44 nays (Vote No. 121), Senate tabled a motion to appeal the ruling of the Chair in sustaining the point of order.)

Page 12893

## MILITARY CONSTRUCTION APPROPRIATIONS

Committee on Rules: Granted a rule providing for one hour of general debate on H.R. 5052, making appropriations for military construction for the Department of Defense for the fiscal year ending September 30, 1987. Waives all points of order against specified provisions in the bill for failure to comply with the provisions of clause 2, Rule XXI (prohibiting unauthorized appropriations or legislative provisions in general appropriation bills). After the bill has been amended in its entirety, provides for consideration of additional amendments as specified in section 2 of the rule. Section 2 of the rule provides that the amendment proposed by Representative McCurdy printed in the report on this rule is considered to be a new title II to H.R. 5052 and shall be considered as having been read. Waives all points of order against title II. Provides one hour and thirty minutes of general debate on title II to be equally divided and controlled among Representative McCurdy, Representative Obey, and another Member opposed to title II. The title shall be considered as having been read for amendment under the five-minute rule. Makes in order only the amendments printed in the report on this rule to title II of the bill, by the Members listed or their designees. The amendments are to be offered only in the following order, are not subject to amendment and are not subject to a demand for a division of the question. Waives all points of order against the amendments. The amendments are as follows: (1) the amendment by Representative Edwards of Oklahoma, debatable for one hour, to be equally divided and controlled by the proponent of the amendment and a Member opposed thereto; (2) the amendment by Representative Hamilton, debatable for one hour, to be equally divided and controlled by the proponent of the amendment and a Member opposed thereto; (3) the applicable version of the amendment by Representative Barnes, debatable for 45 minutes, to be equally divided and controlled by the proponent of the amendment and a Member opposed thereto, which is in order only if the Edwards amendment has been adopted and the Hamilton amendment has been rejected or the Edwards and Hamilton amendments have both been rejected; and (4) the applicable version of the amendment by Representative Mrazek, debatable for 30 minutes, to be equally divided and controlled by the proponent of the amendment and a Member opposed thereto, which is in order only if the Edwards amendment has been adopted and the Hamilton amendment has been rejected or the Edwards and Hamilton amendments have both been rejected. If both the Edwards and Hamilton amendment are adopted, only the Hamilton amendment is considered to have been finally adopted and reported back to the House. Provides one motion to recommit and requires instructions to be germane, and otherwise in order, to the text of the bill preceding title II. Testimony was heard from Representatives Hefner, Obey, Mrazek, Conyers, Hamilton, Panetta, Barnes, Skelton, McCurdy, Spratt, McKay, Cooper, and Carper.

Page 16557

Adopted:

Lugar Amendment No. 2208, providing that for purposes of the treaty, certain offenses shall be regarded as offenses of a political character, that nothing in the treaty shall be interpreted as imposing the obligation to extradite if the judicial authority of the requested party determines that the evidence of criminality presented is not sufficient to sustain the

charge under the provisions of the treaty, and extradition shall not occur if the person sought establishes to the satisfaction of the competent judicial authority by a preponderance of the evidence that the request for extradition has in fact been made with a view to try to punish him on account of his race, religion, nationality, or political opinions, or that he would, if surrendered, be prejudiced at his trial or punished, detained or restricted in his personal liberty by reason of his race, religion, nationality, or political opinions.

Page 16611

Rejected:

(1) D'Amato Amendment No. 2206, to provide that the treaty shall apply to any offense committed before or after the treaty enters into force, provided that the treaty shall not apply (1) to an individual whose extradition was sought prior to the entry into force of the treaty, or (2) to an offense committed before the treaty enters into force which was not an offense under the laws of both contracting parties at the time of its commission. (By 65 yeas to 33 nays (Vote No. 156), Senate tabled the amendment.)

Page 16592

(2) Helms Amendment No. 2207, to provide that, in the United States, the competent judicial authority shall consider as a defense to extradition a showing that the person for whom extradition is sought has committed the specified acts in furtherance of an armed uprising, insurrection, or rebellion against the military authorities of the State in which the accused person is a national, if such acts did not include wanton crimes of violence against civilian personnel. (By 87 yeas to 9 nays (Vote No. 157), Senate tabled the amendment.)

Page 16600

A unanimous-consent agreement was reached providing for further consideration of the treaty on Thursday, July 17, at 2 p.m., with a rollcall vote to occur thereon.

- (5) Kerry Amendment No. 2759, to transfer to the Philippines the portion of sugar quota currently allocated to South Africa.

  Page 21830
- (6) Boschwitz modified Amendment No. 2744, to exempt firms owned by black South Africans from punitive sanctions.

  Page 21831
- (7) By 55 yeas to 44 nays (Vote No. 246), Nickles Amendment No. 2760, to authorize the Secretary of Agriculture to permit South Africa to participate in agricultural export credit and promotion programs conducted by the Secretary at similar levels, and under similar terms and conditions, as other countries that have traditionally purchased United States agricultural commodities and the products thereof. (By 50 yeas to 49 nays (Vote No. 247), Senate tabled a motion to reconsider the earlier vote.)

Page 21831

- (8) Denton Amendment No. 2762, to provide that, not later than 180 days after the date of enactment, the Attorney General shall prepare and transmit to the Congress a report on actual and alleged violations of the Foreign Agents Registration Act of 1938, and the status of any investigation pertaining thereto, by representatives of governments or opposition movements in sub-Saharan Africa, including but not limited to members or representatives of the African National Congress.

  Page 21835
- (9) Wilson Amendment No. 2767, to express the sense of the Congress that United States employers operating in South Africa are obliged to actively oppose the policy and practices of apartheid and specifically to engage in recruitment and training of black and colored South Africans for management responsibility.

  Page 21841
- (10) Lugar Amendment No. 2768, of a technical and clarifying nature. Page 21843

Rejected:

(1) Biden Amendment No. 2749, to modify provisions relating to the imposition of additional measures against South Africa after 1 year. (By 55 yeas to 44 nays (Vote No. 238), Senate tabled the amendment.)

Page 21788

(2) By 41 yeas to 57 nays (Vote No. 239), Wallop Amendment No. 2750, to provide that the provisions applicable to South Africa under this act shall be equally applicable to the Soviet Union. Page 21791

- (3) D'Amato Amendment No. 2753, to permit States and political subdivisions of States to enforce State or local anti-apartheid laws with respect to contracts funded in whole or in part by funds provided by the Federal Government. (By 64 yeas to 35 nays (Vote No. 241), Senate tabled the amendment.)

  Page 21801
- (4) By 45 yeas to 54 nays (Vote No. 242), Byrd Amendment No. 2755, to set forth a framework and

to provide guidance so as to encourage and facilitate the establishment of political and social stability in South Africa, to prohibit the importation of uranium, coal, textiles and fluorspar from South Africa, and to establish the Office of Assistant Secretary of State for West-Central African Affairs and the Office of Assistant Secretary of State for South and East African Affairs.

Page 21805

(5) By 33 yeas to 66 nays (Vote No. 243), Humphrey Amendment No. 2756, to prohibit the takeoff and landing rights in the United States of Aeroflot.

(6) Cranston Amendment No. 2757, to establish an embargo on all U.S. trade with South Africa, to provide for an orderly withdrawal of U.S. investments in South Africa, and to ban the landing of South African airlines in the United States. (By 65 yeas to 33 nays (Vote No. 244), Senate tabled the amendment.)

Page 21821

(7) Boschwitz Amendment No. 2758, to provide humanitarian assistance to black South Africans and authorize the President to waive or modify any provision of the act if certain conditions occur. (By 81 yeas to 18 nays (Vote No. 245), Senate tabled the amendment.)

(8) Denton Amendment No. 2761, to assure that when further sanctions are imposed, full account has been taken of other national security interests of the United States. (By 73 yeas to 26 nays (Vote No. 248), Senate tabled the amendment.)

(9) Denton Amendment No. 2763, to restrict the use of funds under the Foreign Assistance Act of 1961, unless waived by the President if he determines that it is in the national security interests of the United States and so certifies to Congress. (By 75 yeas to 24 nays (Vote No. 249), Senate tabled the amendment.)

(10) Pressler Amendment No. 2764, to require that certain conditions be met before implementing the prohibition of importation of products from parastatal organizations. (By 66 yeas to 33 nays (Vote No. 250), Senate tabled the amendment.)

(11) Dole Amendment No. 2766, to remove the prohibition on the importation of uranium ore and uranium oxide from South Africa. (By 56 yeas to 40 nays (Vote No. 251), Senate tabled the amendment.)

Page 21839

Senate insisted on its amendments, requested a conference with the House thereon, and authorized the Chair to appoint conferees on the part of the Senate.

Page 21869

S. 2701 was subsequently returned to the calendar.

Page 24802

Speaker Pro Tempore: Read a letter from the Speaker wherein he designates Representative Foley to act as Speaker pro tempore for today. Page 24726

Sequestration: It was made in order that the date by which the House must vote on H.J. Res. 723, complying with the requirements of section 274(f)(1) of the Balanced Budget and Emergency Deficit Control Act of 1985, pursuant to section 254(a)(4) of Public Law 99–177, be extended until September 25, 1986; and that the joint resolution shall not be in order for consideration in the House unless called up by the chairman of the Committee on the Budget or his designee or by the ranking minority Member of said committee or his designee.

FIFRA Amendments: By a recorded vote of 329 ayes to 4 noes, Roll No. 400, the House passed H.R. 2482, to amend the Federal Insecticide, Fungicide, and Rodenticide Act.

Page 24727

Rejected the Marlenee motion to recommit the bill to the Committee on Agriculture with instructions to report it back forthwith containing an amendment to prohibit the payment of attorneys fees for civil actions for failure to meet registration deadlines.

Agreed to the amendment in the nature of a substitute made in order by the rule (text of H.R. 5440).

Page 24769

Agreed to:

The Bedell amendment that requires the EPA to develop methods for accurately testing the neurotoxicological and behavioral effects of pesticides and require, to the extent appropriate and necessary, that testing data be submitted by persons seeking to obtain or maintain pesticide registrations; Page 24730

The Coleman of Missouri amendment, as modified, that requires producers, sellers, or other handlers of pesticides to notify EPA and State and local officials of the location and quantity of stored pesticides that have been suspended or cancelled;

The Coleman of Missouri amendment that permits EPA to inspect the facilities where high volumes of suspended or cancelled pesticides are stored:

The Bedell amendment that provides for the monitoring and regulation of the use of pesticides in groundwater;

Poge 24743

The Roberts amendment, as amended by the Bedell substitute, as modified, that provides that if a farmer uses a pesticide according to the instructions on the label but nevertheless causes environmental damage, the liability for cleaning up the damage will be shifted to the pesticide manufacturer, unless the farmer has acted negligently, recklessly, or with the intent to misuse such pesticide;

The Glickman amendment that requires EPA to monitor the effectiveness of hospital disinfectants;

Page 24747

The Scheuer amendment that establishes a pesticide resistance management program within the EPA to conduct research and to develop and demonstrate pesticide resistance management techniques;

Page 24747

The Levine of California amendment that requires EPA to conduct a study of the health effects of DDT and other contamination of fish in Santa Monica Bay, California; and

Page 24748

Page 24729

The Roberts amendment, as amended by the Stenholm substitute, that amends the Food and Drug Act, rather than FIFRA, to establish national standards for residues of pesticides on food products (agreed to by a recorded vote of 214 ayes to 121 noes, Roll No. 399).

Page 24749

Rejected the Panetta amendment to the preceding Roberts amendment that sought to give EPA discretionary authority to set uniform pesticide residue standards for certain pesticides, rather than requiring EPA to issue such standards (rejected by a recorded vote of 157 ayes to 183 noes, Roll No. 398).

A point of order was sustained against the Marlenee amendment that sought to prohibit the payment of attorneys fees and expenses for lawsuits to enforce deadlines for EPA to re-register pesticides.

The Clerk was authorized to make certain technical and clerical corrections, including spelling, section numbers, cross references, and the Bedell technical amendments printed in the Congressional Record of September 17, in the engrossment of the bill.

#### OMNIBUS BUDGET RECONCILIATION ACT

Committee on Rules: Granted a modified closed rule providing 3 hours of general debate on H.R. 5300, Omnibus Budget Reconciliation Act of 1986. Waives all points of order against the consideration of the bill and against the bill. The rule provides that the first group of amendments printed in the report on this resolution are considered to have been adopted in the House and in the Committee of the Whole, and are only subject to amendments made in order by the rule. Only the second group of amendments printed in the report on this resolution are in order. The amendments are not subject to amendment or to a demand for a division of the question. The amendments are to be offered only in the order listed. Debate time is specified on each amendment. Waives all points of order against the amendment. The rule provides one motion to recommit which may not contain instructions. The rule also states that if section 3003 of the bill (incorporating the text of H.R. 1) as inserted by the first group of amendments is not stricken during consideration of the bill, the Clerk is authorized, in the engrossment of the bill, to strike section 3003 and insert the text of H.R. 1 as passed by the House. The following are to be included in the Committee Report: The provisions relating to agriculture meat inspectors, the national defense reserve fleet, a study of a California dam, and the taking of the Transportation Trust Funds off budget are considered to have been stricken from the bill upon the adoption of the rule. Provisions from the Budget Committee including the Conrail sale, the provisions of H.R. 1 as passed the House and the Ways and Means Committee substitute for title X; and a Ways and Means technical amendment are considered to have been adopted in the House and the Committee of the Whole upon the adoption of the rule. In addition, the following amendments to the bill, as modified, are made in order by the rule: a motion to be offered by Representative Rodino to strike the bankruptcy provision in the Merchant Marine title; and a motion to be offered by Representative Wylie to strike H.R. 1. The Committee Report will not contain the language of H.R. 1, as passed the House. In the event that the Wylie amendment to strike the provisions of H.R. 1 from the bill is not successful, the rule authorizes the Clerk to incorporate those provisions into the bill with appropriate technical corrections. Testimony was heard from Representatives Gray of Pennsylvania, Williams, Stenholm, Carper, Florio, Tauzin, Seiberling, Oakar, Biaggi, Rostenkowski, Fascell, Lent, Tauke, Coats, and Lungrej.

#### HIGHER EDUCATION AMENDMENTS

## IMMIGRATION REFORM AND LEGALIZATION AMENDMENTS

Committee on Rules: Granted a modified open rule providing for 3 hours of general debate on H.R. 3810, to amend the Immigration and Nationally Act to revise and reform the immigration laws. Waives all points of order against the consideration of the bill for failure to comply with the provisions of section 302(f) and section 303(a) of the Congressional Budget Act. The rule makes in order an amendment in the nature of a substitute printed in the Committee Print, Committee on Rules, September 24, 1986, entitled "Amendments to H.R. 3810, the Immigration Control and Legalization Amendments Act of 1985" as original text for the purpose of amendment. Waives all points of order against the substitute for failure to comply with the provisions of clause 5(a) of Rule 21. Waives all points of order against the substitute for failure to comply with the provisions of section 302(f) and section 303(a) of the Congressional Budget Act. The rule makes in order the amendments printed in the Committee Print, by the Member designated, and in the order listed in the Committee Print. The amendments are not subject to amendment or to a demand for a division of the question. Debate time on the amendments is

specified in the Committee Print. Waives all points of order against the amendments. The rule also provides that if two specified amendments contained in the Committee Report are adopted, only the last amendment adopted is considered as having been finally adopted and reported to the House. The rule provides one motion to recommit which may not contain instructions. After passage of H.R. 3810, the rule provides for the consideration of S. 1200 in the House. Waives all points of order against consideration of the bill for failure to comply with section 302(f) and section 303(a) of the Congressional Budget Act. The rule provides for a motion to strike all after the enacting clause of S. 1200 and to insert the text of H.R. 3810, as passed the House. Waives all points of order against the motion for failure to comply with the provisions of section 302(f) and section 303(a) of the Congressional Budget Act. Waives all points of order against the motion for failure to comply with the provisions of clause 5(a) of Rule 21. The rule provides for a motion that the House insist on its amendment to S. 1200 and request a conference with the Senate. The rule then makes in order the consideration of a bill in the House, the text of which is contained in section 2 of this rule, if offered by the chairman of the Ways and Means Committee or his designee. Waives all points of order against the bill and against its consideration. Debate time is specified on the bill. The rule provides one motion to recommit which may not contain instructions.

#### CONTINUING APPROPRIATIONS

Committee on Rules: Granted a modified closed rule providing for 2 hours of general debate on H.J. Res. 738, making continuing appropriations for the fiscal year 1987. Waives all points of order against consideration of the joint resolution. The rule makes in order only the amendment contained in the committee report to accompany this resolution. The amendment is to be offered only by the Member designated, and is debatable for 30 minutes to be equally divided and controlled by the proponent and a Member opposed thereto. Waives all points of order against said amendment. The amendment is not subject to amendment and is not subject to a demand for a division of the question in the House or in the Committee of the Whole. The rule provides one motion to recommit.
